

California Air Resources Board Heavy Duty Diesel Truck & Trailer Informational Disclosure

California Air Resources Board regulations require that sellers of certain heavy duty diesel vehicles and box-type trailers provide the below disclosures on the bill of sale for those vehicles and trailers. The below disclosures are incorporated into and made part of the bill of sale to which this disclosure form is attached.

An on-road heavy-duty diesel or alternative-diesel vehicle operated in California may be subject to the California Air Resources Board Regulation to Reduce Particulate Matter and Criteria Pollutant Emissions from In-Use Heavy-Duty Diesel Vehicles. It therefore could be subject to exhaust retrofit or accelerated turnover requirements to reduce emissions of air pollutants. For more information, please visit the California Air Resources Board website at <http://www.arb.ca.gov/dieseltruck>.

A heavy-duty tractor and 53-foot or longer box-type trailer operated in California may be subject to the California Air Resources Board Heavy-Duty Vehicle Greenhouse Gas Emission Reduction Measure. These vehicles may be required to use low-rolling resistance tires and meet aerodynamic equipment requirements to reduce greenhouse gas emissions. For more information, please visit the California Air Resources Board website at <http://www.arb.ca.gov/cc/hdghq/hdghq.htm>.
