

# CNCDA LEGISLATIVE SCOREBOARD

April 2, 2019

BILL NUMBER	SUBJECT	CNCDA POSITION	STATUS
<b>AB 51 (Gonzalez)</b>	Prohibits the use of mandatory arbitration clauses in employment-related contracts for any claims arising under the Labor Code and Fair Employment and Housing Act, including class action waivers.	<b>OPPOSE</b>	<b>Assembly Appropriations</b>
<b>AB 142 (C. Garcia)</b>	Clarifies that replacement lead-acid battery recycling fees does not apply when to new car dealers are selling a new or used vehicles; restoring the agreement made between all the parties.	<b>SUPPORT</b>	<b>Assembly Appropriations</b>
<b>AB 179 (Reyes)</b>	Comprehensive franchise bill seeking to protect the dealer franchise system by addressing retail warranty reimbursement, facility upgrade protections, association standing and additional protest rights for dealers at the New Motor Vehicle Board, and dealer flexibility on digital service vendors.	<b>SPONSOR</b>	<b>Assembly Transportation</b>
<b>AB 596 (Grayson)</b>	AB 596 enables motor vehicle dealers to legally use electronic authorization and signatures for recall repairs, updates out-of-date notice requirements, and allows vehicle salesperson license renewals online.	<b>SPONSOR</b>	<b>Assembly Privacy &amp; Consumer Protection</b>
<b>AB 882 (McCarty)</b>	Puts vehicle safety and repair at risk by prohibiting an employer from terminating employees who fail a drug test. This bill very broadly applies to any drug that is being used as a medication-assisted treatment under the care of a physician.	<b>OPPOSE</b>	<b>Assembly Labor &amp; Employment</b>
<b>AB 938 (R. Rivas)</b>	Allows a sales tax exemption on the purchase of new or used Zero-Emission Vehicle (ZEV) for customers who trade-in an 11-year-old or older vehicle. This bill creates a program similar to the federal "Cash for Clunkers" program to encourage ZEV market demand.	<b>SPONSOR</b>	<b>Assembly Revenue &amp; Taxation</b>
<b>AB 949 (Medina)</b>	Restricts an automotive repair dealer from installing unsafe used tires, as specified. This bill does not apply to a tire that is reinstalled on the same vehicle during a vehicle repair.	<b>WATCH</b>	<b>Assembly Appropriations</b>

BILL NUMBER	SUBJECT	CNCDA POSITION	STATUS
<b>AB 1146 (Berman)</b>	The California Consumer Privacy Act grants consumers with the ability to have their personal information deleted or to opt out of sharing. This bill creates a narrow exemption allowing vehicle ownership information to be shared between a new car dealer and the vehicle's manufacturer in the anticipation of or during a vehicle warranty or recall repair.	<b>SPONSOR</b>	<b>Assembly Privacy &amp; Consumer Protection</b>
<b>AB 1303 (O'Donnell)</b>	Expands the Career Technical Education Incentive Grant funding to \$450 million, including automotive repair, and seeks to find long-term funding for Career Technical Education.	<b>SUPPORT</b>	<b>Assembly Education</b>
<b>SB 561 (Jackson)</b>	The California Consumer Privacy Act is enforced by the Attorney General and consumer litigation in connection with an unauthorized access of a consumer's nonencrypted or nonredacted personal information. This bill wrongly expands legal remedies and claims and deletes the opportunity to cure any violation before being sued.	<b>OPPOSE</b>	<b>Senate Judiciary</b>
